

Members of DRPS, Clarington Emergency and Fire Services and other community partners are inviting the public to take part in a day of fun at Clarington's Family Safety Day on Saturday, September 24.

From 10 a.m. until 4 p.m., officers, firefighters and paramedics will be putting on demonstrations at the Clarington Emergency and Fire Services Hall at 2430 Highway #2 in Bowmanville.

With several community safety displays, a K9 demonstration, a rollover simulator, Air 1, camel rides and many more activities, this year's Family Safety Day promises to be fun and educational for all who attend.
