

The Clarington Board of Trade and Office of Economic Development will be hosting the Second Annual Energy Summit on Wednesday, June 9, 2010 at Garnet B. Rickard Recreation Complex from 10:30am to 2:30pm.

The focus will be on Darlington refurbishment and what it will mean for Clarington and the Clarington business community. There will also be attendees from the nuclear community who will use this opportunity to become more familiar with Clarington as a logical place to do business.

Guest speakers will include Neil Alexander, President of Organization of CANDU Industries, Dietmar Reiner, VP Nuclear Refurbishment for Ontario Power Generation and a presentation given by a representative from the Canadian Nuclear Association.

Cost to register is \$30.00 plus GST - catered lunch included.

For more information, visit the Clarington Board of Trade website at cbot.ca.
