

CAMfest is coming to town.

On Saturday, August 20th, the Orono fairgrounds is ground zero for Clarington's creative and artistic talents, as the Clarington Arts and Music Festival (CAMfest) hits town. The Orono fairgrounds will transform into a mini-village showcasing, celebrating and inspiring Clarington's creative and artistic talents.

The event will showcase 12 hours of music from a number of artists, including fiddle sensation Mark Sullivan, Canadian music icon MurrayMcLauchlan, and the headliner, the Country Rock band The Sadies.

There will also be food in the fresh food market, artists in a unique gallery, and games and activities in the Family fun zone.

For more information and to purchase tickets visit www.camfest.ca .
